Dedication

We, as citizens of this great community, after much deliberation of ways to show appreciation for this heritage which is ours, earnestly unite to pay tribute to one great neighborhood of a great city.

This Scroll, the record of our past year, tells of hard fought battles, of moments dear to all, of pompous things and little things — this book includes them all.

We offer this Yearbook as evidence; for it is to you that we are indebted for founding this school in such a beautiful environment, for equipping its classrooms, for providing well-trained teachers, and for establishing traditions of which we are proud.

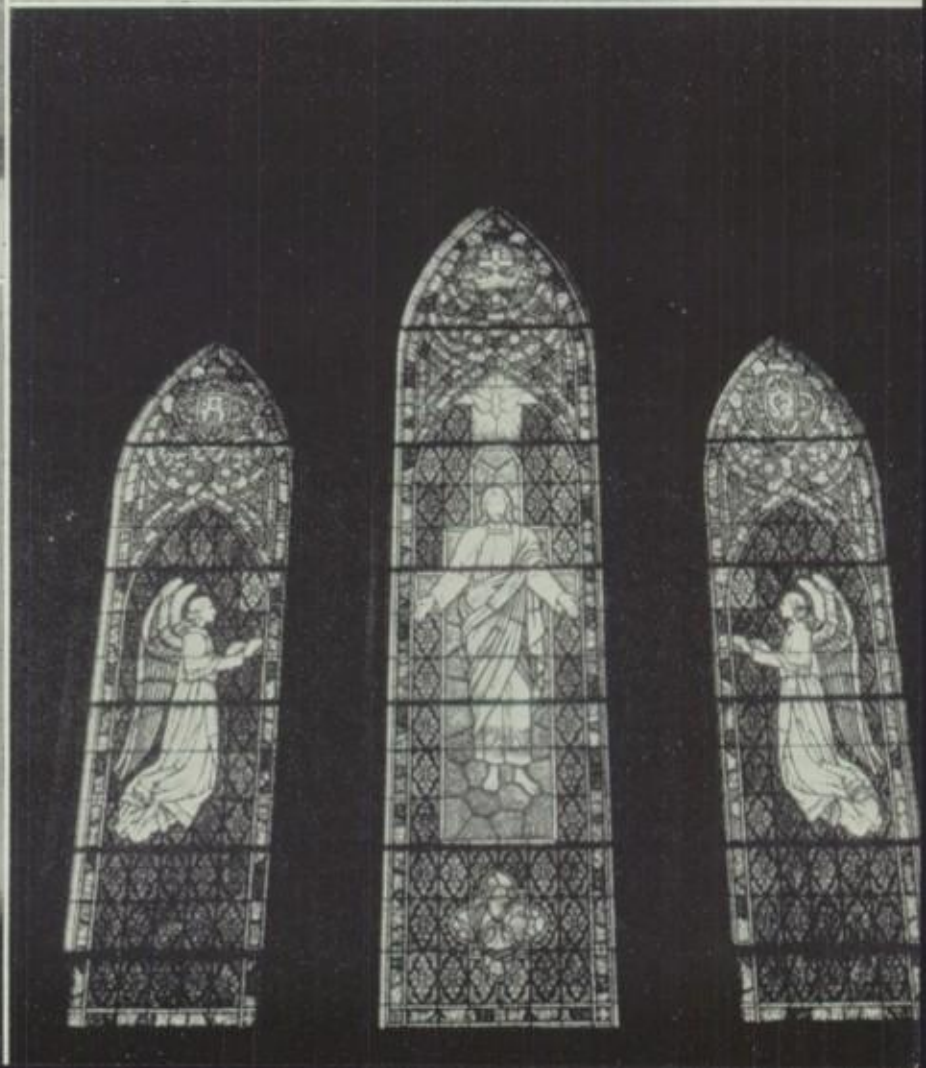

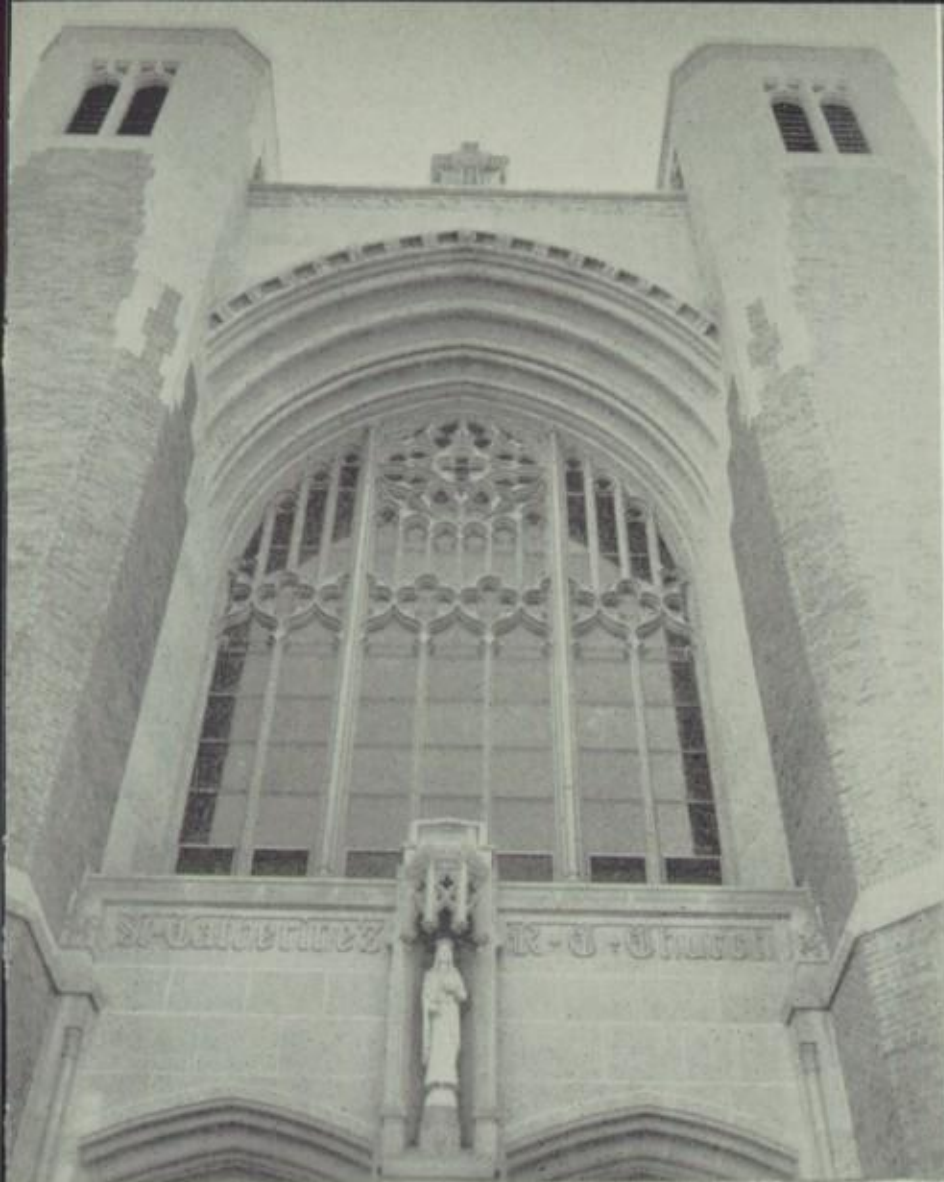

So, neighbors of Washington, to you as citizens of this community, we dedicate this Scroll, and hope you will receive it with the admiration with which it is given.

We look to the churches of this community
To inspire and lead us to see the right.
Their ivy-covered walls,
Arched doorways, and lofty spires
Lend beauty to the neighborhood
And with symbols uplift our souls:
Stained-glass windows tell a story old;
The steeples reach to the heaven's height;
The tablets above the temple door
Lead people today as in days of yore.
Each has its architectural style —
Tabernacle, Cathedral, Synagogue,
Or the familiar Parish Church —
All unite in one sole aim,
To help us know our fellowman
And bring us closer to our God.
Like the steeples towering toward the sky,
Or storied windows reflecting light,
Our faculty inspire us to higher goals
And strive to help us to see the right.

LOSSE

IN TRIBUTE

The doors of widening opportunities have opened to four of our outstanding faculty members who have left their teaching careers behind them.

For many years the Misses Rose Helen Hauer and Ilma Zinns kept the Scroll Weekly at the Pace-Maker rating, and broadened horizons in the field of literature. May Miss Zinns continue to live a life of ease and enjoyment with her friends; and may Miss Hauer continue to enjoy the comforts of her home, with time out for travel and for writing that long promised book on journalism.

Counselor, school bookkeeper, director of class jewelry, and chairman of the Science Department for many years — Mr. Herbert A. Losse will be best remembered for his expert teaching and the personal services which he so freely gave. May he continue to find joy in his leisure with his family and his garden.

Known to the school for years as director of community songs and boys' quartets is Mr. Harry Brown. After more than three decades in the field of $x+y$, he is continuing to teach quadratics to future engineers.

To these four friends of youth, Washingtonians join in wishing many years of happiness in retirement.

"He who serves others, serves himself."

In a community as large as ours,
Service plays an important part
In the every-day living of all its people.
What kind of place would this be
If it were not for the policeman
Who keeps our community safe
And lends a hand to those in need?
Or the ever-ready fireman
With his knowledge and first aid?
The hospital is a blessing to the sick
And a comfort to the well.
The postal and transport services
Provide rapid communication
And travel with comfort and ease.
Our school has a wealth of services, too:
Sharing of books and office supplies,
Guiding with words and deeds,
Co-operating with monitors in study halls,
And **helping** infirmity needs:
These give much experience
And unmeasured satisfaction
To each one who serves his school.

"All work and no play makes Jack a dull boy,"

And Jill, too.

They like to be with people, too,

To meet old friends and to make new.

And so do our Moms and Dads

Seek a source of fun.

At night when there's a lull,

And sometimes during the day,

They lay aside their daily cares

And try to get together at clubs,

Social centers, and P. T. A.

They're proud to display their carvings;

And "Marvelous" works of art;

They hear the advice of speakers;

See films on health and such;

While Mom knits, or weaves a rug,

In woodshop Dad hammers away.

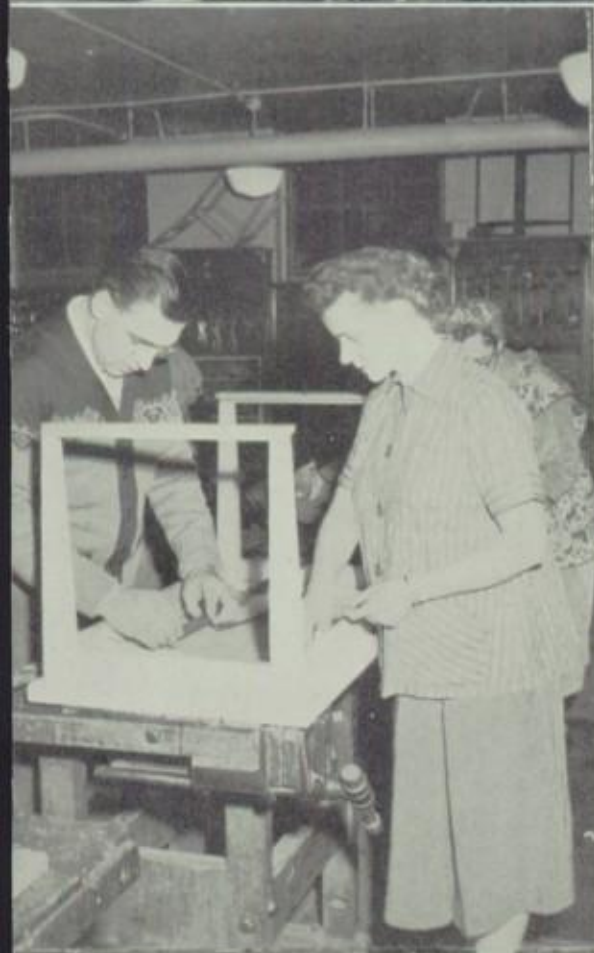

Just as the community provides their needs,

So ours are supplied at school,

With clubs and special societies

Giving fun and cultural growth.

When the "President" of Philo calls the meeting to order, every member snaps to attention. But then, who wouldn't? The meetings are so full of interest . . . Under the guidance of Miss Hazel Handt and Mr. Walter Candy (and Mrs. Ruth Reimann in the fall), the programs were planned to give the members entertainment as well as to keep them up to date on current events. "Should Milwaukee Approve Fluoridation?" and "Should Legislative Districts Be Based on Population or Area?" were two of the important questions considered. Musical selections and humorous quizzes were also offered . . . It is any wonder, then, why Philo ranks so high with its members as they look back with pride on the accomplishments of the past year?

That large yellow "A," worn on alternate Wednesdays, is a welcome sign announcing "Alphanea meets tonight." The programs include panel discussions, extemporaneous readings, radio plays, choral readings, and comical skits. These various activities introduce the members to the various forms of public speaking and dramatic interpretations. Such topics as "Parent Teacher Associations" and "Results From Polio" were discussed this past year. Special features included the Alph double quartet and tape recordings of original radio skits. A mixer welcomed the new members at the beginning of each semester, and another at the end honored graduates for outstanding work in the club. Alphanea, sponsored by the Misses Mary Jane Ryan and M. Louise Schmidt, is on the extra-curricular list of many Tonians.

That Lincoln Forensic Society lives up to its name may be shown by the fact that its members are proud to uphold its many traditions. Under the able direction of Misses Evelyn Purdy and Anna Porter, Lincolnites are brought up to date on public problems, the society's main objective. A variety of programs keep the members interested and well informed. Panel discussions such as "Is Television Beneficial to Modern Society?" and "The Effect of Movies on Us" stir up heated and well-rounded arguments. But Lincolnites also enjoy barber shop quartets and solos by talented members, as well as a dash or two of humor in "Lines of Fate," a humorous skit . . . All these tend to provide a well-rounded and enjoyable year.

Our Washington Players are tops! If it's a play you want to see, you can count on them to make it a huge success. We know this by *Night Must Fall*, which was presented on April 24 and 25. The many public accomplishments of the Players include: The Christmas Play, Pre-Prom Quiz Program, and a pep rally where they dramatized the skit, "The Little German School House." Every other Thursday the Players have work-shop performances: plays or skits to experiment in theater technique. The purpose of this group is to teach members back-stage crafts, as well as to develop their acting ability. They are under the direction of Mr. Harris Lubenow, assisted by the Mesdames Theresa Gerend and Ruth Reimann.

Der Deutsche Verein certainly provides the opportunity for practical German, since all the Club's business meetings are conducted in German. The tune of *Auf Wiedersehen* has been selected for the theme song; and present-day Germany, the spring semester topic, under the direction of Messrs. W. W. Groth and Waldo Fischer. Films such as *Tales from the Vienna Woods* with musical accompaniment by the Vienna Philharmonic Orchestra provided both fantasy and music. Panels and discussions on modern schooling, arts and sciences, and recreation were apropos. Quizzes and German games and songs enlivened the programs . . . Thus the German exchange students and others of direct German descent found a haven in the club and in turn aided in developing a better understanding of the German people and their culture.

Three little words—*hic, haec, hoc*—are Greek to many of us, but Latin to those who know it. The many members of Societas Latina learn more practical applications for these and other Latin terms. Besides, the culture and civilization of the Roman people are featured in the form of film, discussions, and skits. Three quizzes, "What Am I?", "Where Am I?", and "I've Got a Secret" kept Latinites on their toes, trying to recall what they have learned . . . But their talents do not end here. A clever pep song, composed by a few talented veterans, welcomes new members . . . Then, in June, the All-Language-Club Mixer tops off the activities of this organization, which is directed by Mr. H. Gudwin Johnson.

A cheery, "Bonjour, Mon Ami," greets a French Club member as he enters the meeting every other Friday to hear about the culture and care of the French people. The French Club, reorganized last September, has for its token, a miniature Eiffel Tower. The programs have included songs; such as, "L'Alouette" and "Frère Jacques"; talks on French schools, life, and customs; and such skits as, "Au Bal" and "Chez la Modiste"; besides originals by members of the Club. A mixer concludes each semester's activities. Best of all, members of the French Club, under the direction of Miss Lorna Murphy, have learned to understand the people and customs of France through this language of romance.

"There will be a meeting of the Boys' Club immediately after announcements." When these words are heard in the various homerooms, the masculine portion of the school gathers in the auditorium to enjoy a variety of entertaining programs . . . During the past year these programs, under the guidance of Mr. Earl Haney, have included movies on various sports, illustrated talks, and elections each semester. After a meeting of Boys' Club has come to an end, the members file out of the auditorium full of good spirit and companionship that make the Boys' Club a "must" on the morning calendar.

A certain Tuesday morning of the month is set aside by most of our Tonian fems for the Girls' Club Charm School, the purpose of which is to help the girls develop poise, charm, and personality, and to show them the newest ideas in clothing, hair-styling, and facial make-up. The girls also spend many hours after school doing welfare work for various needy causes and at the same time earning points that admit them to the Springtime formal. The leaders in welfare work are rewarded at a special meeting with books and book marks. The Holly Hop is also a gala affair.

An object of pride is Washington's A Capella Choir, built up of 85 voices, each perfectly matched like the stones in a beautiful cathedral. Each member has learned the secret of "singing his age" with round full tones, blending with the others in his section, matching his voice in tone, quality, volume, and pitch. The melodious tones thus produced roll together and make any song a joy to hear. Along with singing, the members also learn the fundamentals of choral technique and practice in the class exercises for the voice muscles. Yes, our choir certainly has the makings of a professional one.

During the past year, under the superior leadership of Mr. Louis Goodrich, the choir has given concerts at Racine, Calvary Church, Girls' Technical High School, and Washington's Winter and Spring concerts. They also took part in the Christmas program which was broadcasted on WISN and at St. Petersburg, Florida. By special request of the International Red Cross, Washington's Choir made fifteen marvelous records to be sent overseas. In the album a picture of the group was also included. So now you see why we say, "Hats Off," to an organization which has truly put Washington on the map.

From six to sixty it's there for you —
A game or a sport that you may choose.
Being outdoors is so worth while
That the community will lure you
With its many playgrounds and parks
To build your body and mind and spirit.
Whether on sand lot, gridiron, or court,
Bowling green, diamond, or pond,
It's not the individual that counts;
It's the team.
You need the team, and the team needs you.
Our community also has done its share
To build a "home" for the Braves.
So we at school have learned the rule —
"Hit the line hard; don't foul and don't shirk,
But hit the line hard."
Equipment, coaches, a field next door,
Could one ask for anything more?
No matter what the sport may be —
Wrestling, football, or golf —
Our teams have one great goal in mind,
To play their best and to play fair —
Thus they herald royal purple
And honor precious gold.

VARSITY

FOOTBALL

WASHINGTON 14 . . . PULASKI 0

In the opening game of the 1952 season Washington defeated Pulaski 14-0. The Purgolders scored first on a pass, Huhnke to Esenberg, following a poor Pulaski punt. In the second half Larry Seefeld climaxed a long march with a 22-yard touchdown run. Several other scoring drives were halted by fumbles at crucial moments. Bill Doughty converted after each score.

WASHINGTON 35 . . . NORTH 6

The North game proved to be an easy 35-6 Purgold victory. Larry Seefeld scored twice in the first quarter, once on a fine 27-yard run. Fumbles and interceptions stymied Washington in the second and third quarters. Dick Esenberg scored twice, once on a 74-yard pass interception, and Dave Kamper once in the fourth quarter. Bill Doughty kicked all five extra points.

WASHINGTON 32 . . . EAST 0

Previously undefeated East was a 32-0 victim of the Power's grid machine. Halfback Dick Esenberg's three touchdowns led the Purgold attack. His markers came on a short run and on two passes from quarterback Huhnke. Ralph Erdman and John Richter scored the other two TD's, both on short runs, and Doughty converted successfully twice.

WASHINGTON 13 . . . WEST 7

Washington defeated a determined West team by the narrow margin of one touchdown. The first time the Purgolders had the ball they scored. Chuck Huhnke ran the final ten yards to pay dirt. In the decisive third quarter Seefeld led the drive for the winning T.D. A pass from Huhnke to Esenberg was the clincher. West threatened late in the game with a long passing attack.

North	2	6	63	194
Lincoln	1	7	26	148
Juneau	0	8	26	270

WASHINGTON 28 . . . LINCOLN 0

In the annual homecoming game Washington rolled to an easy 28-0 victory over Lincoln. Dick Esenberg scored twice on passes from Chuck Huhnke. A pass from Ed Angelbeck to Dick Henske was good for a third tally. Ralph Erdman concluded the scoring with a short T.D. run. The sharp Purgold defense limited the Comets to a net gain of only 68 yards. Between halves the fans were entertained by an impressive Homecoming ceremony.

WASHINGTON 31 . . . CUSTER 0

Capitalizing on three first quarter Custer fumbles, the team overwhelmed a highly-rated Custer eleven 31-0. The spirited Washington gridders built up a 25 point lead in the first quarter. In this quarter Erdman and Seefeld each scored twice. Chuck Blackburn hit pay dirt for the final tally in the second quarter. Custer was soundly outplayed throughout the game.

WASHINGTON 72 . . . JUNEAU 0

Sparked by Dick Esenberg's 37 points, Washington slaughtered a hapless Juneau team 72 to 0. Other scores were Erdman with two TD's and Seefeld, Arbiture, and Bills, all with one each. Doughty booted five conversions and Esenberg ran for another. Washington substitutes were employed freely throughout the game. Ron Kjos set up one score with a fast 88-yard kick-off return.

WASHINGTON 13 . . . KING 13

Washington and King fought to a dramatic 13-13 tie in the season's final. After a great defensive battle in the first half, King scored in the third quarter to take the lead. With five minutes left Ron Kjos scored on a pass from Blackburn to tie the score at 6-6. After King scored again, another pass, Blackburn to Kjos, clicked. Doughty booted the final extra point to tie the count at 13-13.

Shortly after the close of the season, John Powers resigned as head football coach. His successor is Ray Polczynski. Coach Powers served at Washington for 18 years, 11 as an assistant coach and seven years as head coach. He produced many fine teams, including a city champion in 1948 and last season's undefeated squad. Many of the boys whom he coached went on to make distinguished records in college and professional football.

B SEASON

A strong Washington B team posted a successful season under coach R. B. Gettle. The squad was undefeated in four games.

The team defeated Marquette 13-6 in their opening game of the season. Norm Katona, on a kick-off runback, and Dick Henske, on an intercepted pass, scored for Washington.

Washington's 19-6 victory over East was sparked by Norm Katona's two tallies and Jerry Heideman's one.

Katona scored twice as the B's blanked Don Bosco 20-0. The third T. D. came on a pass, Ron Kjos to Dick Henske.

The Purgolders turned back East 14-13 in a hard-fought game. Don Evenson scored once and kicked two extra points, and Art Pinnow tallied the winning tally.

SOPH SEASON

The sophs opened the season by defeating Tosa 19-8. Jim Mauer scored twice, and a pass from Darrel Evert to Ray Enters accounted for the third score.

Coach Ahl's gridders edged out West 7-6. Late in the game Enters scored on a pass from Evert and Jim Mauer ran the ball over for the winning extra point.

The team had little trouble in overcoming King 19-6. Mauer scored twice and Enters tallied on a pass from Evert.

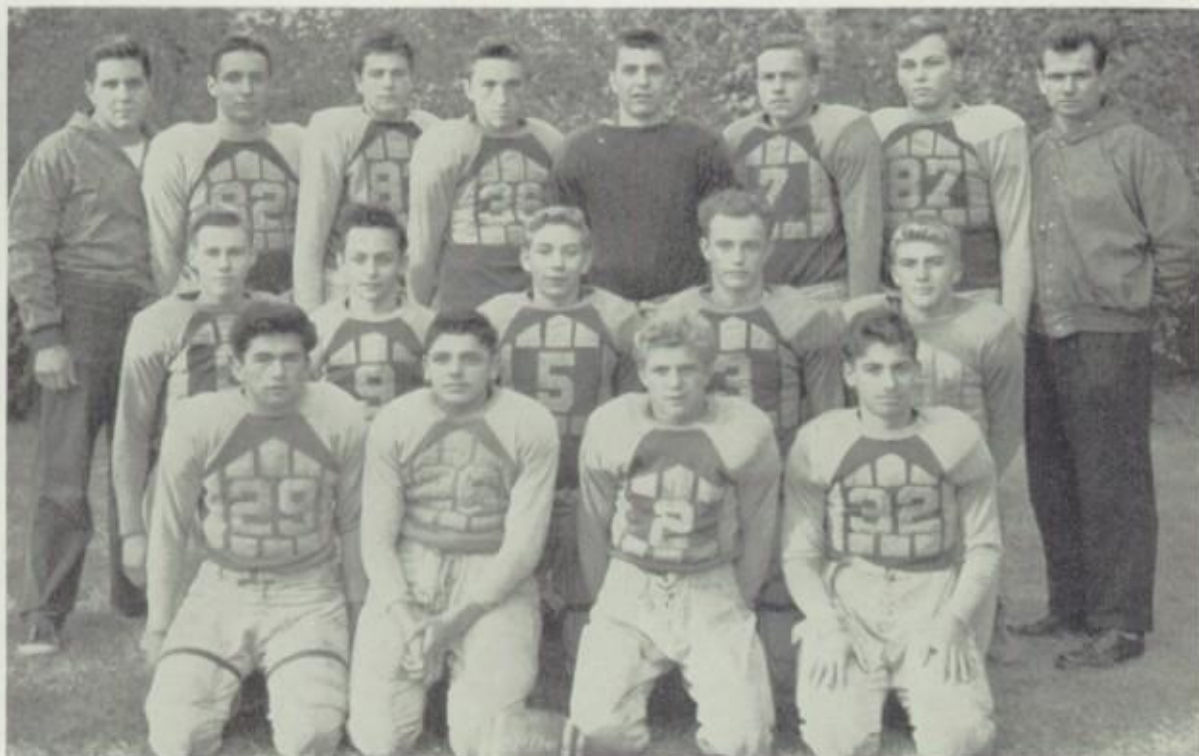

The Ahlmen rolled over North 32-0. Scorers were Mauer (2), Don Muehlbach, Bob Prossen, and Darrel Evert.

The Sophs whipped East 25-6 to clinch the North sectional title. Muehlbach, Prossen, Mauer and Bill Minardi each scored once.

ALL-CITY HONORS

Four members of Washington's second place squad earned berths on the annual All-City team picked by the conference coaches. Three Tonians were placed on the first team. Captain Bob McCloud was elected to one of the guard posts. Rugged Jerry Fischer was the choice at center. The full-back was Larry Seefeld, a standout offensive performer. Dave Owen, next year's captain, made the second team at tackle.

The 1952 Cross Country team under Coach Chet Trost enjoyed the most successful season in Washington's history. They capped their undefeated season with sweeping victories in both the City and State meets. Their performance in the City Meet was the best in the annals of the event. The team's success was due to both outstanding individual runners and unusual balance.

During the first semester the Purgold swimming team compiled an excellent record under Coach Jerry Ahl. Mid-year graduation claimed four varsity swimmers, including several school record holders, just as the team was at its peak. In the first semester the squad was undefeated in six dual meets and captured a fourth place in the City Relays. In the latter half of the season Coach Ahl employed many promising juniors and sophs, thus giving them valuable experience for next year.

The 1952-1953 basketball squad recorded the best season in recent years at Washington. Boasting no outstanding individual players, the Bucketmen emphasized team balance in achieving a tie for fourth place in the city conference.

Coach Ruehl's boy won six games and lost five in conference play. Several crucial games could have been won with a few good breaks at the right moments. The Purgolders were eliminated in the first round of the state sectionals in a one point overtime loss to North.

High scorer for the conference season was Irv Arbiture who scored 126 points in eleven games for a 11.4 point per game average. Chuck Huhnke was a close second with 112 points for an average of 10.2 points per game.

1952 was another banner year for the Washington track squad. Under first-year coach Jerry Ahl, the squad compiled an enviable record. The tracksters climaxed the season with a third in the State Meet and an overwhelming first in the City Meet.

The squad initiated the season with a pair of seconds in two indoor meets. In the first outdoor meet, an important triangular with King and East, the Ahlmen came through with a victory. The powerful Tonians continued their winning ways with an easy victory in the North Sectional Relays.

Washington qualified nine men and a relay team for the State Meet. Purgolders Joe Hoffman and Larry Seefeld garnered first in the meet to spark the drive to third place. Scoring in twelve of thirteen events, the squad tallied a convincing total of 56 1/2 points to sweep the City Meet.

GIRLS' ATHLETIC ASSOCIATION

A successful year was again accomplished by the members of the Girls' Athletic Association (G.A.A.). The girls participated in a number of team and individual sports under the skillful direction of Miss Mary E. Dillon.

Basketball, volleyball, and baseball comprised the team activities; while tennis, golf, badminton, table tennis, and swimming were the predominant highlights of individual skill. An added attraction in this year's competition was beginners' and advanced tournaments in badminton and table tennis.

While teaching girls fair play and sportsmanship, G.A.A. is a club that helps to further the development of each girl's skill and gives her a chance to participate in good clean fun as well.

WHAT A RACKET

The many who live around us
And our classmates here in school,
The house we all go home to —
Are spokes in one great wheel.
Where first a cluster of houses stood,
A neighborhood has grown:
With our school as the nucleus
The hub of the wheel was formed —
Only to grow.
The spokes were added one by one:
And, with the wheel complete,
Came union of home and school —
Then progress began to roll.
Apartments or Parklawn, where we live among many,
Or just a place that we own,
The familiar log cabin across from school,
The mansion, the duplex, the bungalow —
Are miniature classrooms right at home.
Whether with families or at school
We've learned to know
The friendliness of desk and chair.
Our homes are the ties of our community;
Our classes, the core of our school.

"The business of Milwaukee is business,"

And our community has its share,

Not only of business, but industry too.

For what is business without industry,

And industry without business?

Continually the wheels of industry turn,

And the stores supply our needs —

From independent owners to links of chains.

Whether it's a small shop or a huge industrial plant,

It's more than just rock and cement;

It's the product within that counts.

It may be a large auto body or just a tiny screw;

But, when developed to perfection,

Each body finds its motor; each screw, its groove;

And each lock must have its key.

And so in this beautiful school of ours

The laws of business apply,

And the skills of industry find their place.

But more important than any of these,

The growth of character counts.

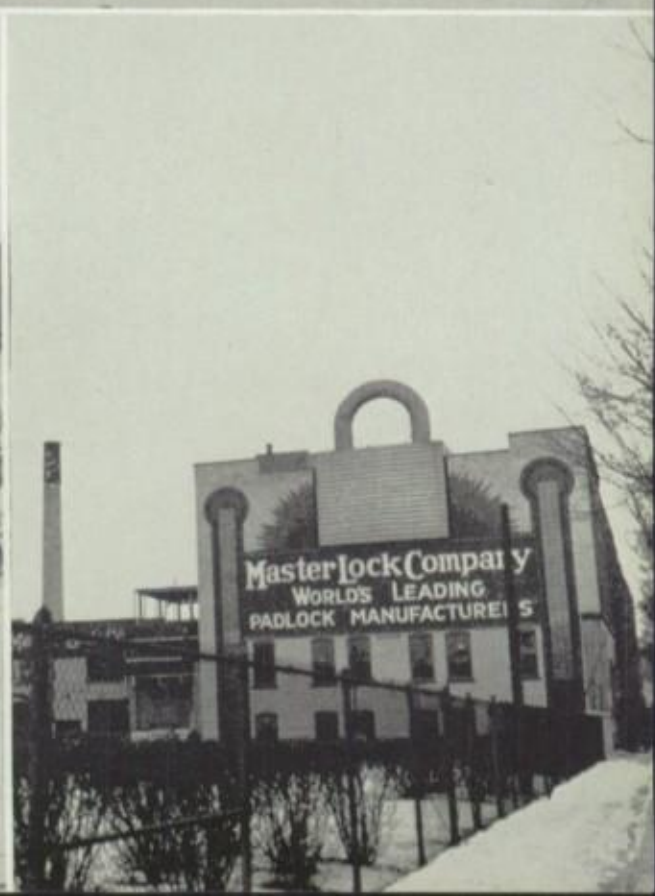

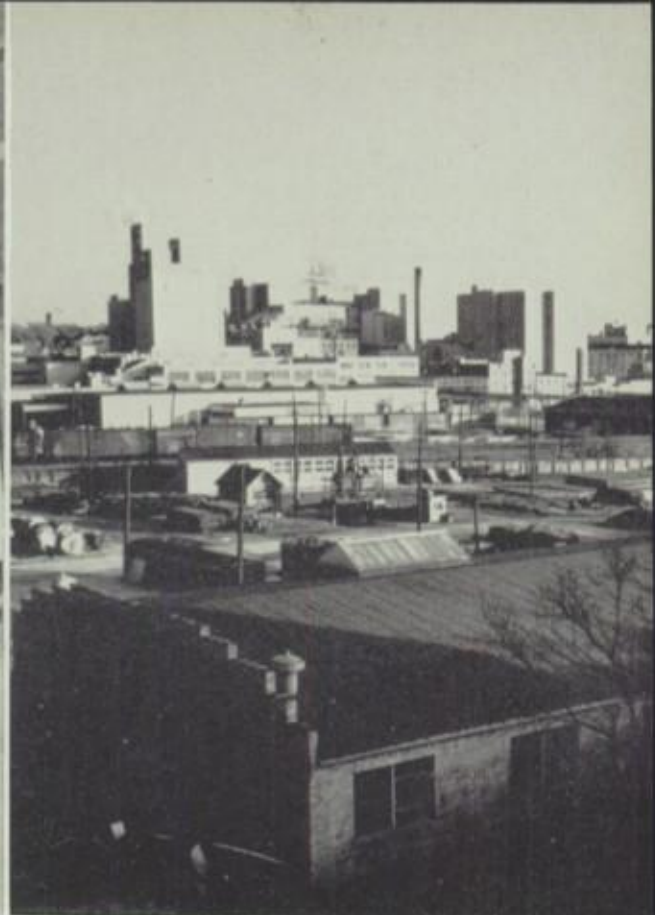

When the product is perfected,

And the Senior leaves this school,

He finds a place in the community

And unlocks the door to success.

"Variety is the spice of life,"

And our community has a full jar:

Whether we drive along our boulevards

Or go strolling through our parks,

We find many sights to please the eye

And much of merriment.

The bandshell is our community stage,

Placed in God's fresh air.

The children skating on the Lagoon,

The parks with carpets of snow,

The prize polar bear with her tiny cub

Provide fun for young and old.

So we in our daily life at school

Find plenty to please the eye

And give us enjoyment, too:

Boys and girls rushing to and fro,

Song fests and dramatic skits,

Couples promenading on campus green,

And the candy man in his paradise,

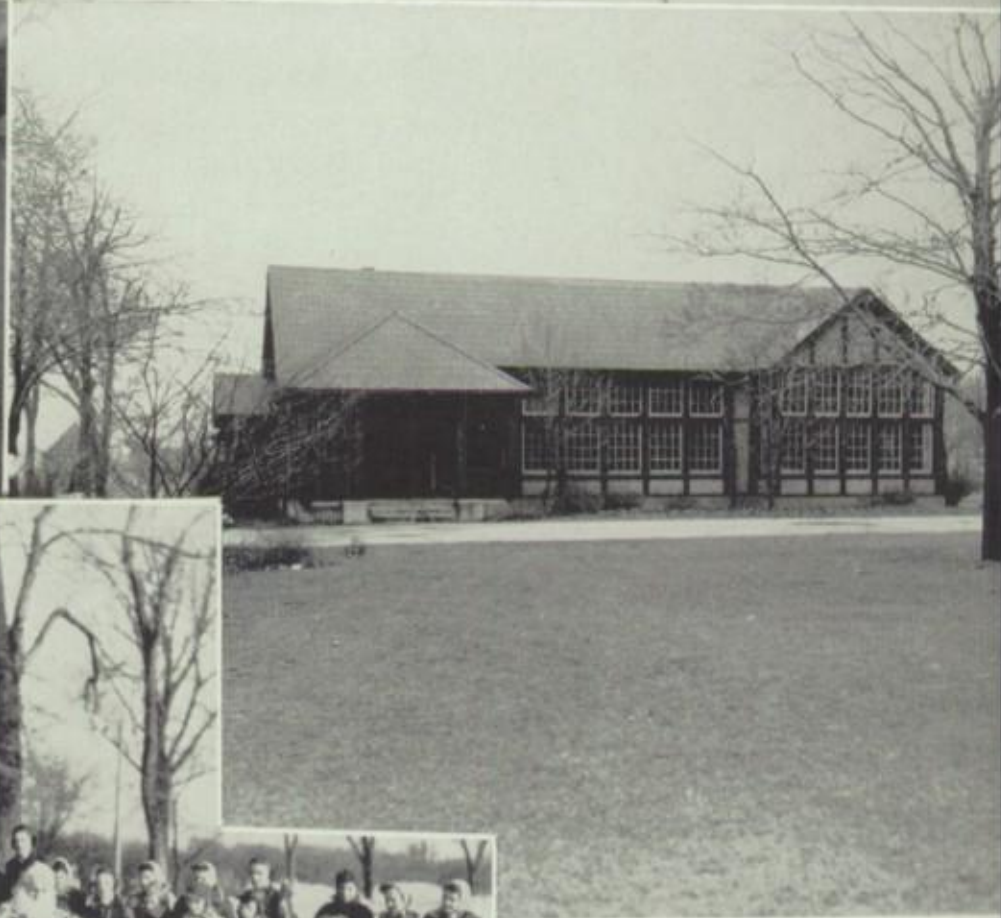

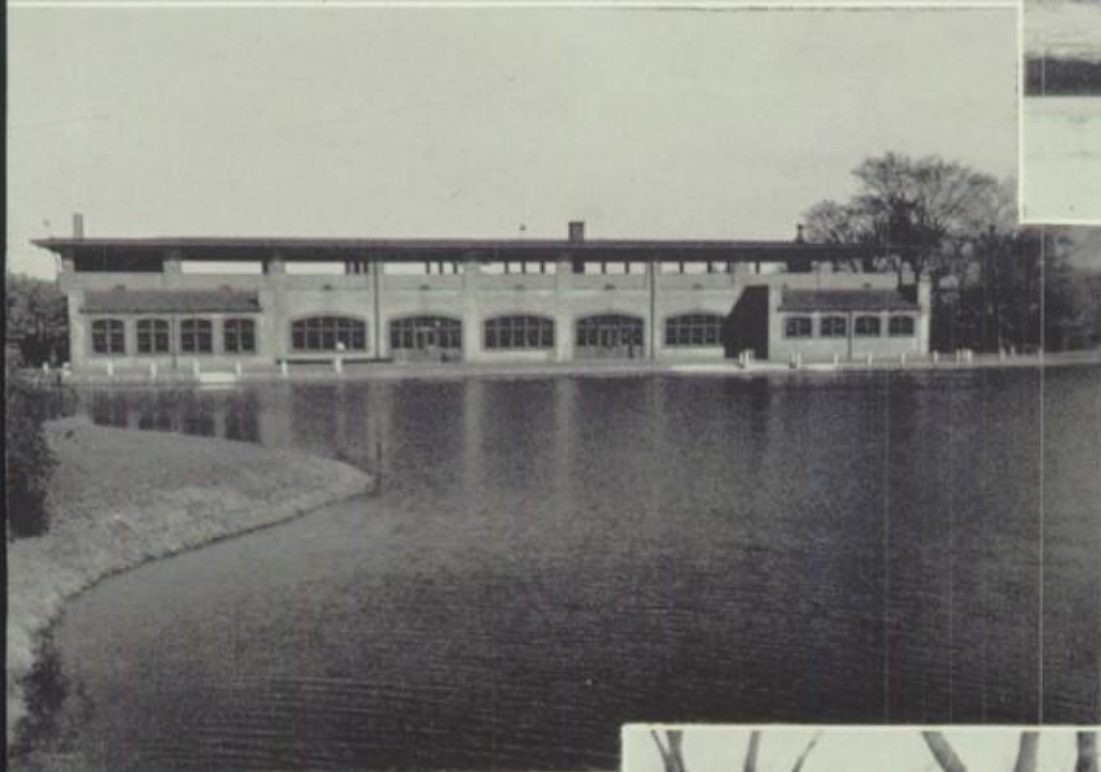

Athletes sprinting, admirers squinting —

Indoors and on campus all the day long

We find school life is flavored

With a variety of spice.
